RACCORDI IN PVC PER TUBAZIONI IN PRESSIONE

Materiale:
Raccordi in PVC-U 250
(PVC rigido, MRS 25 MPa)
Su richiesta: raccordi in ABS.

Colore:
Grigio scuro (RAL 7011).

Giunzione:
Per incollaggio nel bicchiere secondo serie metrica ISO 161-1 per accoppiamento a tubi corrispondenti alla norma UNI EN ISO 1452: 2010.

Temperatura massima di esercizio:
45°C (60°C senza pressione).

Pressione massima di esercizio:
10 bar a 20°C o inferiore (adduzione acqua); per i raccordi ottenuti con parti saldate testa a testa fino a 4 bar a 20°C (adduzione acqua). Per il dettaglio delle pressioni di esercizio si rinvia al catalogo tecnico-dimensionale e alle informazioni contenute nel sito web www.raccordplast.com
Uso non consentito con fluidi gassosi compressi.

Trasporto acqua potabile:
Idoneità al trasporto di acqua potabile in accordo con la legislazione italiana e le direttive europee.

PVC FITTINGS FOR PRESSURE PIPING

Material:
Fittings in Rigid PVC-U 250
(unplasticized PVC, MRS 25 MPa)
On demand: ABS fittings.

Colour:
Dark grey (RAL 7011).

Jointing:
By solvent cement welding in the socket according to metric series ISO 161-1 for jointing to pipes conforming to EN ISO 1452: 2009.

Maximum working temperature:
45°C (60°C without pressure).

Maximum working pressure:
10 bar at 20°C or less (water supply); for the fittings obtained by butt welded parts up to 4 bar at 20°C (water supply).
For the details of the working pressure, please, refer to our technical-dimensional catalogue and to the information included in our web site www.raccordplast.com
Use not allowed with compressed gaseous fluids.

Use for potable water:
Fitness to the transport of drinking water according to Italian law and European directives.

900	22.0	27.6					
1000	24.5	30.6					

Nota/*Note 1* - Lo spessore nominale di parete è conforme alla ISO 4065.
The nominal wall thicknesses conform to ISO 4065.

Nota/*Note 2* - Per applicare un coefficiente globale di servizio (progetto) di 2.5 invece di 2.0 per tubi di diametro nominale maggiore di 90 mm, deve essere scelta la classe superiore di pressione PN.
To apply an overall service (design) coefficient of 2.5 (instead of 2.0) for pipes with nominal diameters above 90 mm, the next higher pressure rating, PN, shall be chosen.

Nota/Note 3 - I valori di PN 6 per S 20 e S 16 sono calcolati con il numero preferenziale 6.3.
The PN 6 values for S 20 and S 16 are calculated with the preferred number 6.3.

CONDIZIONI GENERALI DI VENDITA

Qui di seguito si utilizzerà l'abbreviazione RP per indicare:
Raccord Plast srl – via Tolomeo 2 e 3 – 20016 Pero MI - Italia

1) VALIDITA': Le presenti condizioni generali di vendita valgono per tutte le forniture effettuate da RP al Cliente, siano esse costituite da prodotti della RP così come da prodotti di rivendita. Queste condizioni valgono anche se non è fatto specifico riferimento ad esse, salvo deroghe confermate per scritto.

2) PREZZI: I prezzi si intendono in Euro, IVA esclusa, franco Magazzino RP, e sono quelli validi al momento dell'ordine. Nel caso in cui il Cliente chieda una consegna dilazionata, i prezzi saranno quelli validi al momento della consegna. I prezzi includono il costo del normale imballaggio.

3) MINIMO FATTURABILE: Saranno accettati solo ordini di importo minimo pari a € 155,00.

4) CONSEGNA: La resa è sempre franco magazzino RP di Pero (MI), salvo diverso accordo scritto. In ogni caso la merce viaggia a rischio e pericolo del Cliente. La merce è coperta da assicurazione solo su richiesta e a carico del Cliente.
Nel caso in cui il Cliente non indichi esplicitamente il mezzo di trasporto, la spedizione sarà effettuata nei tempi e nei modi che RP riterrà più idonei.

5) TEMPO DI CONSEGNA: Salvo diverso accordo scritto, i termini di consegna che RP conferma nelle offerte e nelle conferme d'ordine non sono vincolanti; essi sono semplicemente indicativi ed approssimativi. Tali tempi di consegna indicano il tempo presunto di messa a disposizione del materiale presso il magazzino RP e decorrono dall'effettiva conclusione del contratto (data dalla conferma d'ordine inviata da RP). Nessun indennizzo potrà essere richiesto per ritardi nella consegna, né sarà accettato l'annullamento dell'ordine se la produzione è già avviata.

6) PAGAMENTO: Il pagamento è stabilito nei modi e nei tempi definiti dal contratto. Sui pagamenti ritardati sarà applicato l'interesse di mora pari al tasso corrente di sconto.

7) RISERVA DI PROPRIETA': La merce fornita rimane di proprietà di RP fino all'avvenuto integrale pagamento.

8) CONTROLLO DELLA FORNITURA: Il Cliente deve controllare lo stato e la quantità della merce ricevuta comunicando per scritto eventuali difformità entro i termini di legge. In mancanza di comunicazioni scritte la merce è considerata accettata.

9) DOCUMENTAZIONE TECNICA: La documentazione tecnica, i manuali d'uso e le avvertenze per l'uso aggiornati relativi ai prodotti RP e ai prodotti di rivendita sono sempre disponibili su richiesta e devono essere conosciuti dal Cliente. Tutti i documenti tecnici cartacei e quelli visionabili sul sito internet sono soggetti, senza preavviso, alle modifiche che RP riterrà necessarie in conseguenza del progresso tecnico o delle modifiche di leggi e norme.

10) GARANZIA: RP garantisce che i propri prodotti siano conformi alle caratteristiche promesse e di buona qualità nei limiti dello stato attuale della tecnica. La garanzia comprende la riparazione o la sostituzione del pezzo difettoso franco stabilimento RP.
La garanzia decade nel caso in cui:
- siano trascorsi più di 12 mesi dalla consegna;
- il difetto sia dovuto a usura naturale, cause esterne, magazzinaggio non adeguato;
- il materiale sia usato oltre le condizioni di esercizio prescritte;
- il materiale sia stato installato e provato in modo non conforme alle normative vigenti;
- siano stati eseguiti interventi non appropriati;
- il materiale sia stato modificato.

Per quanto riguarda i prodotti di rivendita la garanzia è prestata direttamente dal produttore.

11) LIMITAZIONI DI RESPONSABILITA': La responsabilità di RP è limitata dagli obblighi di garanzia citati al punto 10.
Salvo quanto previsto dal DPR 224 del 24/05/1988 è escluso qualsiasi obbligo di risarcimento del Cliente o di terzi per danni diretti o indiretti provocati dall'uso della merce fornita o per mancato guadagno ad essa connesso.
Nell'eventualità di danni che coinvolgano i prodotti RP, qualunque azione, ad eccezione di quelle più immediate per fronteggiare un'eventuale emergenza, dovrà essere concordata con RP. Pena la decadenza della garanzia, l'eventuale danno dovrà esser segnalato a RP al più presto, comunque non oltre una settimana, per concordare le eventuali azioni.

12) RESI: Tutti i resi devono essere preventivamente autorizzati da RP. Saranno accettati solo resi in porto franco, possibilmente negli imballi originali, per merce assolutamente integra e rivendibile. Sarà addebitato il costo di elaborazione ordine e di movimentazione merce.

13) CONTROVERSIE: Il rapporto contrattuale tra RP e il Cliente è regolato dal diritto italiano. Per giudicare qualsiasi controversia che non si risolva in via amichevole è competente il foro di Milano. Nel caso di inadempienza del Cliente, RP avrà la facoltà di convenire il Cliente anche davanti al foro presso il domicilio di quest'ultimo.

I disegni e le immagini contenuti nei ns. listini hanno carattere puramente rappresentativo.

Here below the abbreviation RP will be used to indicate:
Raccord Plast srl – via Tolomeo 2 e 3 – 20016 Pero MI – Italy

1) VALIDITY: These general sale terms are valid for all the supplies from RP to the Customer, either for RP products or for reselling products. These conditions are valid even if no specific reference is made to them, unless written confirmed derogations.

2) PRICES: Prices are in Euro, taxes not included, ex works RP, and are those valid at the moment of the order. If the customer requires the postponement of the date of delivery, prices will be those valid at the delivery. Standard packing is included in the prices.

3) MINIMUM INVOICING: Only orders with minimum amount of € 155,00 will be accepted.

4) DELIVERY: Unless different written agreement, the delivery is ex RP warehouse in Pero (MI). In any case the goods travel at Customer's risk. The goods will be insured only on request and at Customer's expense.
Unless specifically requested by the Customer, the shipment will be made using the transport means RP deems most suitable.

5) DELIVERY TIME: Unless different written agreement, the delivery terms RP confirms in its offers and order confirmations are not binding; they are merely indicative and approximate. Such delivery terms show the presumptive time to place the goods at customer's disposal in RP warehouse and run from the effective conclusion of the contract (date of the order confirmation RP has sent). No request of indemnity will be admitted for delayed delivery and no cancellation of the order will be accepted after the production has started.

6) PAYMENT: The payment is fixed in the way and the time the contract shows. In case of late payments, an interest at the current discount rate in Italy will be charged.

7) PROPERTY RESERVATIONS: The supplied goods remain property of RP until full payment has been made.

8) CONTROL OF SUPPLIED GOODS: The Customer must check the conditions and quality of the received goods and communicate in writing eventual complaints. Without any written communication the goods will be considered as accepted.

9) TECHNICAL DOCUMENTATION: The updated technical documentation, user's manuals and precautions for use about RP products and reselling products are always available upon request and must be known by the Customer. All the technical documents, printed or on internet site, are subject, without notice, to the modifications that RP will consider necessary consequently the technical progress or the change of laws and norms.

10) GUARANTEE: RP guarantees that the supplied goods are conforming to the promised characteristics and of good quality within the limits of the present techniques' state. The guarantee includes repairing or replacement of the defective piece ex RP factory.
The guarantee is no more valid where:
- *12 months have passed from the date of delivery;*
- *the damage is caused by natural consumption, external causes, inadequate storage;*
- *the material has been used beyond the prescribed working conditions;*
- *the material has been installed without following the in force norms;*
- *inadequate interventions have been carried on;*
- *the material has been modified.*

For the reselling products the guarantee is granted directly by the producer.

11) RESPONSIBILITY LIMITATIONS: RP responsibility is limited by the guarantee obligations of point 10.
With the exception of what is foreseen in Italian DPR 224 dated 24/05/1988, any obligation to indemnify the Customer or thirds is in any case excluded in case of direct or indirect damages caused by the use of the supplied goods or in case of lack of incomes related to the same goods.
In case of accident in which RP products are involved, any action, except the strictly immediate ones in order to face a possible emergency, must be agreed with RP. The possible accident must be reported to RP as soon as possible, in any case within one week, otherwise no warranty will be granted.

12) RETURNED GOODS: All returned goods must be previously authorizes by RP. RP will accept only returned goods with no transport charge, possibly in original packages, in perfect conditions to be possible to sell again. The cost to process the order and to move the goods will be charge.

13) CONTROVERSIES: The contract relationship between RP and the Customer is regulated by the Italian law. Any controversy impossible to solve in a friendly way will be settled by the Court of Milano. In case of not fulfilment on behalf of the Customer, RP will have the faculty to convene the Customer also in front of the jurisdiction where the latter has its domicile.
